

# INDEX TO VOLUME XXVII, 1937

## *Annals of the Association of American Geographers*

	PAGE
Abstracts of Papers Presented before the Association at Syracuse, New York, December, 1936, Titles and .....	94
ACKERMAN, EDWARD A., Contrasted Regions within the Central Massif (abstract) .....	94
Air-Mapping in Some Recent Polar Explorations, O. M. Miller (abstract) .....	114
Application of Seismic Methods in the Discovery of New Lands in the Antarctic, The, Thos. C. Poulter (abstract) .....	115
Arctic Region, The Progress of Discovery and Exploration within the, William Herbert Hobbs .....	1
Aspects of the Urban Geography of Syracuse, Some, Eric H. Faigle (abstract) .....	104
ATWOOD, WALLACE W., The Recognition of Erosion Surfaces in Rugged Mountain Regions (abstract) .....	95
_____, The Rocky Mountains (Round Table on Cultural Geography) .....	156
_____, and WALLACE W. ATWOOD, JR., The Physiographic Evolution of the Rocky Mountain Region (abstract) .....	96
ATWOOD, WALLACE W., JR., The Major Canyons of the Rocky Mountain Region and their Significance to the Physiographer (abstract) .....	96
_____, and WALLACE W. ATWOOD, The Physiographic Evolution of the Rocky Mountain Region (abstract) .....	96
BATSCHLET, CLARENCE E., Criteria for Delimiting Unincorporated Areas (abstract) .....	97
Battle Creek, Michigan: A Study in Urban Geography, H. Thompson Straw (abstract) .....	119
BLANCHARD, W. O., A Geographical Atlas of Illinois (abstract) .....	98
BLUMENSTOCK, DAVID I., Geography and Primitive Culture Patterns in the Southern Sierra Nevada (abstract) .....	98
BOGGS, S. WHITTEMORE, Library Classification and Cataloging of Geographic Material .....	49
_____, Notes on Certain Problems in the Definition of Water Boundaries (abstract) .....	99
BOTTS, ADELBERT K., Drought and Air Masses (abstract) .....	100
BROOKS, CHARLES F., Certain Meteorological Aspects of Floods (abstract) .....	101
BROWN, RALPH H., The Great Plains (Round Table on Cultural Geography) .....	159
Cataloging of Geographic Material, Library Classification and, S. Whittemore Boggs .....	49
Certain Meteorological Aspects of Floods, Charles F. Brooks (abstract) .....	101
Charts Showing the History of Cartography, Erwin Raisz (abstract) .....	117
Classification and Cataloging of Geographic Material, Library, S. Whittemore Boggs .....	49
Comments on Contemporary Geographic Method, Some, John Leighly .....	125

	PAGE
Conditions of Exceptional Visibility within the High Latitudes, Particularly as a Result of Superior Mirage, William Herbert Hobbs .....	229
Contrasted Regions within the Central Massif, Edward A. Ackerman (abstract) .....	94
Cooperative: A Kentucky Mining Community, Leonard S. Wilson (abstract) ....	123
CRESSEY, GEORGE B., Tungchow and Shatin, Two Chinese Communities (abstract) .....	102
Criteria for Delimiting Unincorporated Areas, Clarence E. Batschelet (abstract) .....	97
Cultural Geography, Round Table on Problems in .....	155
DAVIS, CHARLES M., Land Utilization in North Park, Colorado (abstract) .....	102
Discovery and Exploration within the Arctic Region, The Progress of, William Herbert Hobbs .....	1
Distributions, Some Measures of, John K. Wright .....	177
Drought and Air Masses, Adelbert K. Botts (abstract) .....	100
EKBLAW, W. ELMER, The Rôle of Soils in Geographic Interpretation ....	149
———, The Significance of Soils Geography (abstract) ....	103
Eupen-Malmedy: A Study in Political Geography, Samuel Van Valkenburg and Margaret Quimby (abstract) .....	121
Exhibits at the Syracuse Meeting .....	44
Exploration within the Arctic Region, The Progress of Discovery and, William Herbert Hobbs .....	1
FAIGLE, ERIC H., Some Aspects of the Urban Geography of Syracuse (abstract) .....	104
Field Observations on the Canton Delta, Glenn T. Terwartha (abstract) .....	120
Geographic Interpretation, The Rôle of Soils in, W. Elmer Ekblaw .....	149
Geographic Material, Library Classification and Cataloging of, S. Whittemore Boggs .....	49
Geographic Method, Some Comments on Contemporary, John Leighly .....	125
Geographic Significance of the Soil Type, The, J. O. Veatch (abstract) .....	121
Geographic Atlas of Illinois, A. W. O. Blanchard (abstract) .....	98
Geography and Primitive Culture Patterns in the Southern Sierra Nevada, David I. Blumenstock (abstract) .....	98
——— of the Antarctic: The Advance of a Decade (1926-1936), The, W. L. G. Joerg (abstract) .....	114
——— of the Gaspé Country, George D. Hubbard (abstract) .....	107
———, Round Table on Problems in Cultural .....	155
Geomorphology of the Queen Maud Mountains, Laurence McK. Gold (abstract) .....	106
GIBSON, J. SULLIVAN, Soils Factor in the Character of Land Use in the Tennessee Valley (abstract) .....	105
Gifts Received by the Association During 1936 .....	46
GOULD, LAURENCE McK., Geomorphology of the Queen Maud Mountains (abstract) .....	106
Great Lakes, The (Round Table on Cultural Geography), Robert Burnett Hall .....	167
Great Plains, The (Round Table on Cultural Geography), Ralph H. Brown ....	159
HALL, ARTHUR R., The Problem of Soil Erosion in Ante-Bellum Virginia (abstract) .....	106
HALL, ROBERT BURNETT, The Great Lakes (Round Table on Cultural Geography) .....	167

	PAGE
_____, Tokaido Road and Region (abstract) .....	107
High Latitudes, Conditions of Exceptional Visibility within, William Herbert Hobbs .....	229
HOBBS, WILLIAM HERBERT, Conditions of Exceptional Visibility within the High Latitudes, Particularly as a Result of Superior Mirage .....	229
_____, An Optical Phenomenon and Its Relation to the Discovery of Polar Lands (abstract) .....	107
_____, The Progress of Discovery and Exploration within the Arctic Region .....	1
HUBBARD, GEORGE D., Geography of the Gaspé Country (abstract) .....	107
HUDGINS, BERT, Waterworks Intakes of the Great Lakes (abstract) .....	108
HUNTINGTON, C. C., The Muskingum Watershed Conservancy District (abstract) .....	108
HUNTINGTON, ELLSWORTH, Season of Birth, and the Distribution of Civilization (abstract) .....	109
Intra-City Business Areas for the Principal Cities of the United States, Malcolm J. Proudfoot (abstract) .....	116
JAMES, PRESTON E., New Maps of South America (abstract) .....	113
_____, On the Treatment of Surface Features in Regional Studies .....	213
JOERG, W. L. G., The Geography of the Antarctic: The Advances of a Decade (1926-1936) (abstract) .....	144
Kano, Derwent Whittlesey (abstract) .....	123
KELLOGG, CHARLES E., Soil and the People .....	142
_____, (abstract) .....	110
KEMP, HAROLD S., Spain: The Land and the War (abstract) .....	111
KLIMM, LESTER E., Problems of Fuel Supply in the Irish Islands (abstract) .....	112
KNIFFEN, FRED B., The Lower Mississippi (Round Table on Cultural Geography) .....	162
_____, Rural Occupance Patterns of Louisiana (abstract) ....	112
KURATH, HANS, The Linguistic Atlas of the United States and Canada (abstract) .....	113
Land Utilization in North Park, Colorado, Charles M. Davis (abstract) .....	102
LEIGHLY, JOHN, Some Comments on Contemporary Geographic Method .....	125
LEPPARD, H. M., The Water Gates of the Narrow Seas (abstract) .....	114
Library Classification and Cataloging of Geographic Material, S. Whittemore Boggs .....	49
Life History of Rainstorms in Oklahoma, The, C. W. Thornthwaite (title) .....	120
Linguistic Atlas of the United States and Canada, The, Hans Kurath (abstract) ..	113
Lower Mississippi Valley Loess, Richard Joel Russell (abstract) .....	118
Major Canyons of the Rocky Mountain Region and their Significance to the Physiographer, The, Wallace W. Atwood, Jr. (abstract) .....	96
Manufacturing Intensity in the United States, Regions of, Helen M. Strong ....	23
Maps of South America, New, Preston E. James (abstract) .....	113
Measures of Distributions, Some, John K. Wright .....	177

	PAGE
Measuring the Evenness of Distributions, John K. Wright (abstract) .....	124
MILLER, O. M., Air-Mapping in Some Recent Polar Explorations (abstract) ..	114
Mirage, Conditions of Exceptional Visibility within High Latitudes, Particularly as a Result of Superior, William Herbert Hobbs .....	229
Mississippi, The Lower (Round Table on Cultural Geography), Fred B. Kniffen	162
Muskingum Watershed Conservancy District, The, C. C. Huntington (abstract)	108
 New England (Round Table on Cultural Geography), Derwent Whittlesey .....	168
New Maps of South America, Preston E. James (abstract) .....	113
Notes on Certain Problems in the Definition of Water Boundaries, S. Whittemore Boggs (abstract) .....	99
 Optical Phenomenon and Its Relation to the Discovery of Polar Lands, An, William Herbert Hobbs (abstract) .....	107
 Physiographic Evolution of the Rocky Mountain Region, The, Wallace W. Atwood and Wallace W. Atwood, Jr. (abstract) .....	96
PLATT, ROBERT S., Shots from a Traverse Across South America (abstract)	115
Polar Problems and the Method by which They May be Solved, Some, Sir Hubert Wilkins (abstract) .....	123
Political-Geographical Problems of Turkey, The, Carl Louis Stotz (abstract) ...	118
POULTER, THOS. C., The Application of Seismic Methods in the Discovery of New Lands in the Antarctic (abstract) .....	115
Problem of Soil Erosion in Ante-Bellum Virginia, The, Arthur R. Hall (abstract)	106
Problems of Fuel Supply in the Irish Islands, Lester E. Klimm (abstract) .....	112
Progress of Discovery and Exploration within the Arctic Region, The, William Herbert Hobbs .....	1
PROUDFOOT, MALCOLM J., Intra-City Business Areas for the Principal Cities of the United States (abstract) .....	116
 RAISZ, ERWIN, Charts Showing the History of Cartography (abstract) .....	117
RANDALL, JOHN R., Settlement of the Great Clay Belt of Northern Ontario and Quebec (abstract) .....	117
Recognition of Erosion Surfaces in Rugged Mountain Regions, The, Wallace W. Atwood (abstract) .....	95
Regional Contrasts in Rainfall Intensity in Indiana with Some Consequences of the Contrasts, Stephen S. Visser (abstract) .....	121
Regional Studies, On the Treatment of Surface Features in, Preston E. James ...	213
Regions of Manufacturing Intensity in the United States, Helen M. Strong .....	23
Rocky Mountains, The (Round Table on Cultural Geography), Wallace W. Atwood .....	156
Rôle of Soils in Geographic Interpretation, The, W. Elmer Ekblaw .....	149
Round Table on Problems in Cultural Geography .....	155
Rural Occupancy Patterns of Louisiana, Fred B. Kniffen (abstract) .....	112
RUSSELL, RICHARD JOEL, Lower Mississippi Valley Loess (abstract) .....	118
 Season of Birth, and the Distribution of Civilization, Ellsworth Huntington (abstract) .....	109
Settlement of the Great Clay Belt of Northern Ontario and Quebec, John R. Randall (abstract) .....	117
Shots from a Traverse Across South America, Robert S. Platt (abstract) .....	115

	PAGE
Significance of Soils Geography, The, W. Elmer Ekblaw (abstract) .....	103
Soil and the People, Charles E. Kellogg .....	142
..... (abstract) .....	110
Soils in Geographic Interpretation, The Rôle of, W. Elmer Ekblaw .....	149
Soils Factor in the Character of Land Use in the Tennessee Valley, The, J. Sullivan Gibson (abstract) .....	105
Spain: The Land and the War, Harold S. Kemp (abstract) .....	111
STOTZ, CARL LOUIS, The Political-Geographical Problems of Turkey (abstract) .....	118
STRAW, H. THOMPSON, Battle Creek, Michigan: A Study in Urban Geography (abstract) .....	119
STRONG, HELEN M., Regions of Manufacturing Intensity in the United States .....	23
Surface Features in Regional Studies, On the Treatment of, Preston E. James .....	213
Syracuse Meeting, Exhibits at the .....	44
Syracuse, New York, December, 1936, Titles and Abstracts of Papers Presented before the Association at .....	94
THORNTHWAITE, C. W., The Life History of Rainstorms in Oklahoma (title) .....	120
Titles and Abstracts of Papers presented before the Association at Syracuse, N. Y., December, 1936-January, 1937 .....	94
Tokaido Road and Region, Robert B. Hall (abstract) .....	107
Treatment of Surface Features in Regional Studies, On the, Preston E. James .....	213
TREWARTHA, GLENN T., Field Observations on the Canton Delta (abstract) .....	120
Tungchow and Shatin, Two Chinese Communities, George B. Cressey (abstract) .....	102
United States, Regions of Manufacturing Intensity in the, Helen M. Strong .....	23
VAN VALKENBURG, SAMUEL, and MARGARET QUIMBY, Eupen-Malmedy: A Study in Political Geography (abstract) .....	121
VEATCH, J. O., The Geographic Significance of the Soil Type (abstract) .....	121
VISHER, STEPHEN S., Regional Contrasts in Rainfall Intensity in Indiana with Some Consequences of the Contrasts (abstract) .....	121
Visibility within the High Latitudes, Particularly as a Result of Superior Mirage, Conditions of, Exceptional, William Herbert Hobbs .....	229
Water Gates of the Narrow Seas, The, H. M. Leppard (abstract) .....	114
Waterworks Intakes of the Great Lakes, Bert Hudgins (abstract) .....	108
WHITTLESEY, DERWENT, Kano (abstract) .....	123
....., New England (Round Table on Cultural Geography) .....	168
WILKINS, SIR HUBERT, Some Polar Problems and the Method by which They May be Solved (abstract) .....	123
WILSON, LEONARD S., Cooperative: A Kentucky Mining Community (abstract) .....	123
WRIGHT, JOHN K., Measuring the Evenness of Distributions (abstract) .....	124
....., Some Measures of Distributions .....	177
